RE: 26th Annual "Turkey Trot"

Riverton School's 26th Annual Turkey Trot will be **Monday, November 22nd at 11:00 AM**. The "Trot" is a running race for students in the fourth and fifth grades. Sixth graders are invited this year due to the cancelled Trot in 2020.

The students will practice for this event in their P.E. classes. The length of the race is approximately 1/4 mile. It will take place around the perimeter of the school. All streets will be blocked off for the safety of the runners, with the permission of the Riverton Police. The race will begin at the corner of 4th and Howard. Runners will go around the entire school counterclockwise and end at the corner of 5th and Howard. The sixth grade boys and girls will run first, followed by the fifth graders and then the fourth graders. All students are encouraged to participate.

The Riverton P.T.O. will be graciously providing prizes for the top finishers in both the girls' and boys' categories at each grade level. A small treat will be presented to all finishers.

**All parents, family members and friends are encouraged to cheer on our speedy runners in a socially distanced manner.**

**The rain date will be Tuesday, November 23rd at 11:00 AM.**

Thank you,
